

**Foreign Language and Area Studies (FLAS) Fellowships
2022-2023 Competition for Graduate and Professional Students
for Bosnian-Croatian-Serbian, Polish, Romanian, Russian, Turkish, Uzbek and other
East European/Eurasian Languages**

The Center for Slavic, East European and Eurasian Studies (CSEEEES) at The Ohio State University (OSU) is seeking applications for fellowships for Summer 2022 and Academic Year 2022-2023 under the U.S. Department of Education's Title VI Foreign Language and Area Studies (FLAS) Fellowship program. These fellowships are available to all full-time graduate and professional students at all levels and in any department who are pursuing a course of study that requires advanced foreign language and area studies training. All applicants must be U.S. citizens or permanent residents.

LANGUAGE ELIGIBILITY: Awards will be made through CSEEEES for Bosnian-Croatian-Serbian, Polish, Romanian, Russian, Turkish, and Uzbek. Applications for other East European or Eurasian languages will also be considered. If applying for an award in more than one language, separate applications for each language/area study focus must be submitted. Applicants are responsible for contacting appropriate language departments and/or summer language programs and establishing that their requested level of language instruction will be offered in 2022-23.

SUMMER (SU) 2022 FELLOWSHIPS:

SU fellowships are expected to carry a stipend of \$2,500 and an award for tuition and partial fees (up to \$5,000). SU fellowships are awarded for intensive language study only. Intensive programs eligible for support must encompass the equivalent of a full year of language study with at least 120 contact/classroom hours in instruction for advanced language levels and 140 hours for beginning and intermediate language levels and offer at least 6 weeks of instruction. Individualized instruction, dissertation research, and audited classes are ineligible for a Summer FLAS. SU fellowships may be used for intensive language study at OSU or at other institutions including study abroad. In such cases, applicants must provide itemized data on tuition, fees, and room and board expenses in the Language Instruction Budget Estimate section of the online application. Summer award recipients must register for a minimum of six credit hours of language courses during the award period. They are also required to meet with the FLAS Coordinator prior to the start of their program as well as to take a language proficiency entrance and exit exam before and after their program of study. In addition, recipients must submit a post-fellowship online report to the U.S. Department of Education and participate in brief biennial surveys on their job placement and use of language skills for eight years post-graduation. U.S. government regulations require all recipients of a FLAS travel award (available in some circumstances for summer fellows) to comply with the provisions appearing in the Fly America Act. Specifically, all tickets for overseas flights purchased with U.S. Dept. of Education funds must be on a U.S. carrier, unless the traveler is able to meet specific exception requirements. If a Fellow fails to meet any of these requirements, support may be withheld and/or the fellow will be required to return funds given to them, including payments for tuition and fees.

PRIORITIES: In awarding Summer 2022 fellowships, consideration will be given to applicants with academic merit and professional potential who also demonstrate financial need as documented through their Expected Family Contribution as calculated by Student Financial Aid through their submitted FAFSA application. Highest priority will be given to candidates proposing to study at the advanced level (Level 3 or higher) who intend to enter government service upon completing a terminal MA or professional program; second-highest priority will be given to students planning to study at the advanced levels (Level 3 or higher) in the first three years of their graduate or professional program; and third-highest priority will be given to students planning to study at the intermediate level (Level 2) and/or whose academic and career goals do not articulate with areas of national need in government, education, business, and nonprofit sectors.

AWARD NOTIFICATIONS: Fellowship competition results will be announced in March 2022.

ACADEMIC YEAR (AY) FELLOWSHIPS:

AY fellowships are expected to carry a stipend of at least \$15,000 for graduate and professional students. In addition, AY fellowships provide students in programs within the OSU Graduate School an award for full tuition and partial OSU fees and professional school students or students studying at other institutions up to \$18,000 in tuition and fee support. Subject to approval, AY FLAS fellowships may also be used for foreign language and area studies at other U.S. or foreign institutions. Because FLAS Fellowships are language and area study-based, all AY award recipients must be enrolled in at least one three-credit, graded, classroom-taught language course and at least one three-credit, graded, classroom-taught area studies course each semester during the tenure of the fellowship. AY award recipients also must be full-time fellows (12 credit hours per semester). In order to gauge each student's language progress during the period of their fellowship, recipients are also required to take a language proficiency entrance examination in the beginning of the academic year and an exit examination at the end of the academic year. FLAS Fellows are also required to meet with the FLAS Coordinator prior to the start of each semester to discuss their course load and program of study. In addition, all recipients are required to submit a post-fellowship online report to the U.S. Department of Education, and to participate in brief biennial surveys on their job placement and use of language skills for eight years post-graduation. If a fellow fails to meet any of these requirements, money may be withheld and/or the fellow will be required to return the money given to them including payments for tuition.

PRIORITIES: In awarding Academic Year 2022-2023 fellowships, CSEEEES will base its priorities on the FLAS competition priorities announced by the U.S. Department of Education in its 2022-2023 Title VI NRC/FLAS Request for Proposals (forthcoming). CSEEEES will notify all applicants of final priorities once they are known.

AWARD NOTIFICATIONS: Fellowship competition results will not be made until the results of the Title VI NRC/FLAS competition are announced by the U.S. Department of Education. The U.S. Department of Education's timeline is unknown at this point. *The awarding of fellowships is dependent upon the continued receipt of Title VI funding from the U.S. Department of Education.*
