

CSEEEES 2022 K-14 Teacher Training Workshop: LGBTQ+ Histories and Issues of Eastern Europe and Eurasia

Workshop Date: Saturday, December 10, 10:00AM-1:00PM EST

Format: Hybrid (in-person and Zoom, may become fully virtual upon need)

This year's workshop led by Dr. Philip Gleissner (Ohio State U.) will allow educators to learn about the history and accomplishments of the LGBTQ+ community in Eastern Europe and Eurasia. Additionally, this workshop will educate participants on the struggles that this community faces in these regions, how LGBTQ+ issues and rights are handled there, and what LGBTQ+ activists are doing to create a safe place for the members of their community to exist in. Participants will leave this workshop with a deeper understanding about this topic so that they can lead discussions related to it with their own students.

This training is free and open to pre- and in-service K-14 educators across the United States. This workshop will be limited to 40 participants.

Participants will receive:

- A certificate for 3 contact hours
- \$50 stipend for attending the workshop
- Free curriculum resources
- Opportunity to receive an additional \$50 stipend for completing a lesson plan by May 31, 2023

Register for this workshop by **Friday, December 2.**
